On behalf of the ACCYPN Conference Organising Committee, we warmly welcome your registration to the ACCYPN 2021 Conference. This will be a hybrid event, meaning you have the option of either attending as an in-person Delegate or a Virtual Delegate. The virtual option will allow Delegates who will not be able to travel to Darwin to participate in-person.

Please note - the Conference will be recorded and made available on demand to all Delegates. If we are unable to facilitate the Conference in-person due to COVID-19 restrictions, we will then convert the Conference to a complete virtual format. If you have registered to attend the Conference as an in-person Delegate, we will convert your registration to a virtual one.

Want to win Free Conference Registration?

ACCYPN Members simply invite a non-member to join ACCYPN by 30 June 2021 and if they join and record your name as the referrer, you both go into the draw to win a Free ACCYPN Standard Member Conference Registration (value \$1,690). If you're not a member, simply join ACCYPN and add name of a member as your referrer.
