CLINICAL SUPPER

The kids are not okay

A program of research into mental health presentations for children and adolescents presenting to the ED

Dr Simon Craig

Simon is a paediatric emergency physician working at Monash Medical Centre in Melbourne. He is an Adjunct Clinical Professor in the Department of Paediatrics at Monash University, and has been part of the PREDICT executive since 2014. His research interests are broad and he is easily distracted into new projects. You can find him at @DrSimonCraig.
